(b) whether it is a fact that an amount of Rs. one lakh seventy five thousand Crores has been earmarked for this scheme;

(c) whether an outline for this scheme has been drawn-up by Government; and

(d) if so, by when this scheme is likely to be implemented?

THE MINISTER OF STATE IN THE MINISTRY OF PLANNING (SHRI M. V. RAJASEKHARAN): (a) to (d) Bharat Nirman has been conceived as a time-bound business plan to be implemented over a period of 4 years (2005-09) for building rural infrastructure. It has six components *viz.* electrification, roads, drinking water, telephone connectivity, irrigation and housing. Specific targets under each of these components have been set.

The agenda of Bharat Nirman involves both ongoing programmes and upscaling of some of the ongoing programmes like Rajiv Gandhi Gramin Vidhyutikaran Yojana, Accelerated Irrigation Benefits Programme, Accelerated Rural Water Supply Programme, Pradhan Mantri Gram Sadak Yojana, Indira Awas Yojana and use of Universal Service Obligation Fund for village public telephone. The effort is to impart a sense of urgency to the goals set to make the programme time-bound, transparent and accountable.

The preliminary estimate of expenditure has been assessed as about Rs. 1,76,000 crores. The State Governments have to provide appropriate matching share as per the norms of the various schemes.
